

### **Antitrust Compliance**

The Arizona Petroleum Marketers Association (“APMA”) has an Antitrust Compliance Policy which applies to all officers, directors, staff, committees and meetings of APMA. Because of state and federal antitrust laws, certain topics are not appropriate for discussion at any board or committee meeting or function of the organization. Many of our members are competitors and any action or agreement which may eliminate, restrict or impact competition in the marketplace could be a violation of antitrust laws. The penalties are severe for individuals and organizations.

Thus, there shall be no discussions of any items that may appear to be anti competitive, including competitive practices, current or future prices, fees or charges, discount offerings, terms of service, profitability, credit terms or refusal to deal with other industry members or partners. The board supports free enterprise and competition and strictly adheres to antitrust avoidance guidelines.
