Sculpting the Future

Annual Conference at Hilton Sedona Resort at Bell Rock

Golf Tournament at Sedona Golf Resort

Welcome Back to Sedona!

We are so happy to welcome you back to the Arizona Petroleum Marketers Association 2021 Annual Conference and Golf Tournament in Sedona. It feels so good to be back together again in person.

Our keynote speaker for the Conference, Gary Lee Price, is a sculptor with a vision. He will share his story of being commissioned to create a 300-foot “Statue of Responsibility” to bookend the “Statue of Liberty” on the west coast. His captivating works of sculpture are placed in public and private collections all around the world, from Hong Kong’s Central Library to Surrey, England’s American Community Schools to many locations across the United States. Gary will speak at 9 am on Tuesday.

As we gather, we know that the spread of COVID-19 remains an issue in Arizona and around the world. Please note that CDC guidelines now recommend mask wearing indoors, even if vaccinated but especially if unvaccinated. Attendees who feel safer in masks are encouraged to wear them.

We hope you enjoy the opportunity to reconnect, learn and play in the beautiful red rocks of Sedona!
