

EMA EXECS ADVENTURE - EASY WHITEWATER RAFTING - July 23rd

Join fellow execs and their family members for fun Class II+ mild whitewater rafting from **1:30-4:00 p.m. on Tuesday, July 23rd**.

From the mild flat water stretches that are ideal for viewing nature and instigating water fights, to the splashy and fun little rapids, the Weber River has it all.

Jump into the paddle rafts and let friendly, knowledgeable, and entertaining guides take us down the river. We will float through a forest of herons' nests and paddle through the exhilarating rock garden, and wrap things up with the exciting Taggart Falls.

This is a wonderful adventure for the whole EMA family.

The put-in is 42-minutes (Henefer, Utah) from The Chateaux, Deer Valley.
