

APMA PAC

ARIZONA PETROLEUM MARKETERS ASSOCIATION

APMA has formed a Political Action Committee (APMA PAC) to increase its political presence at the Arizona Capitol! We need your support to make this effort a success. Why donate? PAC dollars work hard for you. They are invested in pursuing and achieving a successful state legislative session.

Our goal is that when any legislator or regulator thinks about a law or regulation affecting our members, they call APMA first to get our input

PAC contributions may be obtained **only from personal, not corporate, funds**. Contributions are not tax deductible, and no refund of any kind is allowed.

Funds go directly to the campaigns of candidates who are supportive of the issues and philosophy of our industry. APMA PAC is not affiliated with any political party and is non-partisan in its support.
